### Footnotes:

<sup>1/</sup> The period covered by any statement begins on the day after the closing date of the last statement filed, or January 1, if no previous statement has been filed.

<sup>2/</sup> State candidates required to file electronically (see footnote 3) must file this report if they receive a contribution of \$5,000 or more from a single source at any time other than the 90-day election cycle. (“Election cycle” is defined as 90 days prior to an

election and ending on the date of the election.) No paper copy is required and no copies are required to be filed with local filing officers. This report is not required for primarily formed state candidate committees.

- <sup>3/</sup> Candidates and committees must file electronically with the Secretary of State if, since January 1, 2000, they receive contributions or make expenditures totaling \$50,000 or more. For more information, visit the Secretary of State's web site at [www.ss.ca.gov](http://www.ss.ca.gov). Paper filings are also required, except as described in footnotes 2 and 4.
- <sup>4/</sup> Committees required to file electronically (see footnote 3) must file a report disclosing each independent expenditure of \$1,000 or more made during the period March 8, 2006, through June 6, 2006, and during the period August 9, 2006, through November 7, 2006, to support or oppose a state ballot measure being voted on June 6, 2006, or November 7, 2006, respectively. No paper copy is required and no copies are required to be filed with local filing officers, including during the late reporting period. Also see footnote 8.
- <sup>5/</sup> State officeholders must file this report for any pre-election period in which contributions are made to any other state or local candidate or committee.
- <sup>6/</sup> A committee that makes a payment or a promise of payment of \$50,000 or more for a communication that clearly identifies a state candidate appearing on the June or November ballot but does not expressly advocate the election or defeat of the candidate, must file Form E530 electronically with the Secretary of State. The report must be filed within 48 hours of making or promising to make the payment. No paper copy is required and no copies are required to be filed with local filing officers.
- <sup>7/</sup> A controlled committee of a candidate may not make an independent expenditure to support or oppose another candidate. (Gov. Code § 85501.)

#### **Additional Notes:**

- Except for deadlines that fall on a Saturday, Sunday, or an official state holiday, there is no provision in the law for extending a filing deadline. Late statements are subject to a \$10 per day late fine.
- All statements are public documents.
- Contributions to state candidates and to committees that make contributions to state candidates are subject to contribution limits. Some committees that feature state candidates in advertisements are also subject to contribution limits.
